#3 – Alinea Kitchen Table Dinner

"Exceptional cuisine, worth a special journey." This is how Michelin defines a three star restaurant. You won't have to travel far to embark on the culinary journey that is the Kitchen Table at Alinea. The completely private, glass-encased dining experience is at the heart of Alinea – the kitchen. (6) guests will indulge in Alinea's most intimate, immersive, and cutting edge dining experience. Each course will reflect the whimsical and experimental elements that have made Alinea a dining destination. This experience is partly theater

and pure enjoyment – from the moment you enter the kitchen you'll be transported through all of your senses. Each guest will also indulge in wine pairings, specifically chosen to complement and accentuate the sights, smells, and tastes of each course. Truly a once-in-a-lifetime experience, don't miss your chance to dine at one of the most coveted tables in the world!
