

CONTINUOUS DISTANCE LEARNING LESSON

Lesson Title: Magic Milk Science Experiment

Grade: Senior Kindergarten

Materials Needed:

1. Milk
2. Food Coloring
3. Dish soap
4. Q-tips
5. Shallow dish

Instructions for Experiment

1. Pour a thin layer of milk into a shallow dish
2. Have your child add drops of food coloring all around
3. Pick up a q-tip and dip it in the dish soap.
4. Put cotton swab in the milk, pressing it down in one spot, holding for 15 seconds
5. Watch what happens!

Critical Thinking Questions

1. What did you notice?
2. What happened when you put the q-tip in the milk?
3. Why do you think that happened?
4. Why do you think it stopped moving after a certain period of time?
5. What else did you observe?
